

Ministik School Public Meeting

Ministik School

Feb. 7, 2017

7:30 p.m. to 7:55 p.m.

Session: 2

Topic: General

Recorder: Corrie

Key Points:

- Information shared did not include the data on all the surrounding schools--everything that was plotted for Ministik (enrolment, population). This information should be included with package to the trustees for their decision.
 - Students will be home schooled or go to St. Luke--Division will lose more money by shutting down the school

Questions Asked:

- What research has EIPS done on economic impact--on business area and property values--of removing a school from this area to Strathcona County.
